We are planning on a full two hour meeting. We will do our best to make sure that the meeting concludes by 6:00 p.m.

In advance of the meeting, enclosed please find the following additional information:

- Materials from Alan Wickman regarding, "Lincoln, Nebraska as a Bicycle-Friendly Community?"
- Email message from Robert Boyce regarding the safety of bicycling in Downtown Lincoln.
- "Lincoln Journal-Star" article from December 31, 2003, regarding the recently initiated Lincoln-Eppley Shuttle.

- "Downtown News Briefs" article from the Fall/Winter 2003 edition regarding downtown's as transportation hubs.

In addition to these materials, you should have already received copies of the two "Conceptual Alternatives" handouts. These will be reviewed at next Tuesday's meeting by representatives of SRF. Please bring your copies to the meeting as they will be a major focus of the discussion.

If you have any questions about these materials, please feel free to contact either David Cary or myself.

Sincerely,
